INTRODUCING...

Charna Underwood, Social Worker

Maunalani Career:

Originally in college, I was a Math major with a Chemistry minor, and intended to become a teacher. Around my second year of college, I decided to change to Social Work when my mom became a caregiver for my grandmother and I started volunteering at the Hiolani Care Center. I discovered that I enjoyed working with older adults and am very happy with my career change.

I started at Maunalani on May 20, 2015--the Monday after I graduated with my MSW. I am very grateful to the administration for giving me the opportunity to work here, and for all the support I have received from the varioud departments.

Maunalani is an amazing facility and I look forward to working with our residents and their families.

Education background:

I attended Kaiulani Elementary School in Kalihi. In middle school, I moved in with my grandmother in Kaimuki and attended Kaimuki Middle School and Kalani High School (Class of 2010). I went away to Harding University (Searcy, AR) for my first year of college, and completed the rest of my education at the University of Hawaii at Manoa, attaining my Bachelors of Social Work in 2014, and Masters of Social Work with a concen-tration in Gerontology in May 2015. I was recently licensed in Social Work in July 2015.

Interests:

I like to spend my free time relaxing by watching shows on Netflix, and going out to eat with friends and family. I would like to re-learn how to play the piano, and keep up my study of the Japanese language. I love traveling to Japan and have been there 3 times in the past 2 ears--I love the culture, sights, and most of all the food!

Charna Underwood

is one of our newest team members to join our Maunalani ohana. She fills the position left vacated by Valeric Hong, who retired after a 30+ years career in Social Work and Discharge Placement/Coordination.

If you would like to contact Charna, you may reach her at 695-2810.

Resident Council Message From President Ralph Matsuda

I would like to personally invite you to join our Resident Council Meetings held every 2nd and 4th Friday of the month (at the Library located on the 3rd Floor).

These meetings give us the opportunity to get to know one another, and to advocate for Resident Rights. These meetings also enable us to work TOGETHER with our Maunalani team members to providing exceptional quality of care and quality of life for all us that call Maunalani--home!

Career Opportunities:
