

# National Nursing Home Week

Every year, across the nation, skilled nursing facilities celebrate **National Nursing Home Week** with fun, creative events that bond our employees, residents and families together.

This year, the national theme is:  
**It's a Small World, with a BIG Heart**

Today, we have 100 Kupuna and over 100 employees that call Maunalani---home.  
In our home, we have a culmination of people with different cultures, home countries, and traditions.  
And yet--together--we make our "small world" mesh well because of the respect, love and compassion we have for one another.

**So please join our celebration and show your Maunalani spirit!**
