

To Sign Up For YELP:

* The Sign Up and Log In buttons are located in the right hand corner of the Yelp homepage.

* If you need to create an account, you have the option of signing up with Facebook (if you already have an account), or manually filling in the requested information.

* Also, please try to use Yelp to review other businesses besides Maunalani. That way, Yelp knows that you are a real person/a real Yelp reviewer ---and your review of Maunalani won't be deleted.

If you have any questions, please don't hesitate to contact Sarina at extension 202 (direct: 695-2802), or Czarina at extension 272 (direct: 695-2872).
