Maunalani Nursing & Rehabilitation Center to be Grand Marshal of the 70th Annual Kaimuki Christmas Parade

The Kaimuki Business & Professional Association will present the **Annual Kaimuki Christmas Parade on Thursday, December 1, 2016** at 6:00 p.m. along Waialae Avenue from Saint Louis School/Chaminade University TO Koko Head Avenue.

This year marks the **70th year** the parade will be held.

The parade features participants from the Kaimuki Community---local elementary and high schools, businesses, bands, girl and boy scouts, local healthcare facilities, our legislators and council represenatives, the Fire Department, motorcycle groups, dogs, clowns, and of course, Santa Claus!

This year's parade will be a special one for us---- **Maunalani Nursing & Rehabilitation Center was selected as this year's Parade Grand Marshal!!**

As you know, Maunalani is one of the oldest skilled nursing facility in Hawaii.

Maunalani first opened its doors in January 1950 atop Maunalani Heights in Kaimuki. Today, we continue to provide quality nursing care and rehabilitation services to 100 Hawaii residents.

In addition to having our Maunalani employees & their families march at the parade, we would like to invite YOU---our residents, friends and families---to join us.

We will also be featuring our retired United States Veterans--some of them are World War II Nisei Veterans (Dec. 7, 2016 will be the 75th Anniversary of the attack on Pearl Harbor).

Please contact Czar at 695-2872 if you would like to march with us or help us with sponsoring or providing the vehicles featuring our Veterans.

Resident Council Updates

Mr. John McDermott---Hawaii's Long Term Care (LTC) Ombudsman---was our Special Guest Speaker during our Resident Council Meeting held on Friday, October 28.

Mr. McDermott shared with everyone:

* The role of the Long-Term Care Ombudsman Program
* Residents Rights

He also introduced to us all the new LTC Ombudsman Volunteer designated to Maunalani---**Ms. Chieko Ramirez.** Chieko shared that she hopes to visit Maunalani residents every month!

The Long-Term Care Ombudsm (LTCO) program was established by federal and state statutes. The LTCO identifies, investigates, and resolves complaints that are made by, or on behalf of residents, and related to action, inaction, or decisions that may adversely affect the health, safety, welfare, and rights of residents of long term care facilities such as nursing homes, assisted living facilities, adult residential care homes, and other long-term care faciities.

For more information about the LTC Ombudsman Program, call 586-0100 or go to **http://health.hawaii.gov/eoa/home/long-term-care-ombudsman-program/**

For more information about our Resident Council Meetings, please ask for Mr. Ralph Matsuda (Resident Council President), or speak to any manager.
